INDEPENDENT FIELD TECHNICIANS

Job Description

eAutorescue provides a digital platform for roadside assistance that instantly connects stranded motorists with field technicians in real time. We are looking for dependable and qualified individuals to sign up as Independent Contractors in various cities/locations. Driver license is a must. This is a gig/independent contractor position, such as Uber or Lyft. Work on your own time and at your own pace. Drive from the comfort of your own vehicle. You will be delivering select roadside assistance services, including:

- Flat Tires
- Jump Starts
- Battery Replacements
- Auto Lockouts
- Emergency Gas Delivery

Qualifications

- *Must be clean & professional*
- *Be 21 years or older*
- *Possess a car & valid driver's license*
- *Pass background check*
- *Ability to jumpstart a car; change flat tire; professionally unlock car door; deliver emergency gas; and replace a battery*

Vehicle Requirements

- *No cosmetic damage*
- *Good mechanical condition*
- *Provide vehicle inspection report*
- *At least 15 years old or newer*

Job Type

- *Independent Contractor*

Work Schedule

- *Flexible schedules available. We are a 24/7 operation and positions are available for ALL shifts:*
 - 12-hour shift
 - 8-hour shift
 - Holidays
 - Weekends
 - Day/Night shift
 - On call

Bonus Pay/Tips

- Promotions & bonus pay offered during peak periods
- In-App tips from customers

Education

- High school or equivalent
- ASE Level-1 holders highly preferred

Work Locations

- Greater Phoenix Valley
- Casa Grande
- Maricopa City
- Yuma
- Prescott
- Flagstaff
- Kingman
- Payson
- Wickenburg
